

Midwest Connect Care Terms of Use

Last revision: July 19, 2017

1. **Use of the Site.** Midwest Connect Care, a division of Midwest Health Partners, (“**Midwest Connect Care**”, “**we**”, “**us**”, or “**our**”) operates the website located at www.midwestconnectcare.com and other related websites and mobile applications with links to these Terms of Use (collectively, the “**Site**”). We offer online telehealth services (the “**Services**”) enabling our members (“**Members**”) to report their health history and engage healthcare professionals (“**Treating Providers**”) to obtain medical and healthcare services (“**Services**”). By accessing and using the Site, you agree to be bound by these Terms of Use and all other terms and policies that appear on the Site. If you do not wish to be bound by any of these Terms of Use, you may not use the Site or the Services.

THE SERVICE AND CONTENT IS NOT DESIGNED, INTENDED OR APPROPRIATE TO ADDRESS SERIOUS, EMERGENCY, OR LIFE-THREATENING MEDICAL CONDITIONS AND SHOULD NOT BE USED IN THOSE CIRCUMSTANCES.

2. **Healthcare Services.** All of the Treating Providers who deliver Services through Midwest Connect Care are employed professionals through Midwest Health Partners.

3. **Site Content.** None of the Site content (other than information you receive from Treating Providers) should be considered medical advice or an endorsement, representation or warranty that any particular medication or treatment is safe, appropriate, or effective for you.

4. **Informed Consent.**

A. Telehealth is the delivery of health care services using interactive audio and video technology, where the patient and the health care professional are not in the same physical location. During your telehealth consultation with a Treating Provider, details of your health history and personal health information may be discussed with you through the use of interactive video, audio and other telecommunications technology, and your Treating Provider may perform a physical examination through these technologies.

B. The telehealth Services you receive from Treating Providers are not intended to replace a primary care physician relationship or be your permanent medical home. You may form an ongoing treatment relationship with some Treating Providers. However, your initial visit with a Treating Provider will begin as a consultation (e.g. to determine the most appropriate treatment setting for you to receive care) and will not necessarily give rise to an ongoing treatment relationship. You should seek emergency help or follow-up care when recommended by a Treating Provider or when otherwise needed, and continue to consult with your primary care physician and other healthcare professionals as recommended. We may make arrangements for follow up care either through Midwest Connect Care or other healthcare providers. You will have direct access to a provider through the service to follow up on medication reactions, side effects or other adverse events. Among the benefits of our Services are improved access to healthcare professionals and convenience. However, as with any health service, there are potential risks associated with the use of telehealth. These risks include, but may not be limited to:

- In rare cases, information transmitted may not be sufficient (e.g. poor resolution of images) to allow for appropriate health care decision making by the Treating Provider;
- Delays in evaluation or treatment could occur due to failures of the electronic equipment. If this happens, you may be contacted by phone or other means of communication.
- In rare cases, a lack of access to all of your health records may result in adverse drug interactions or allergic reactions or other judgment errors;
- Although the electronic systems we use will incorporate network and software security protocols to protect the privacy and security of health information, in rare instances, security protocols could fail, causing a breach of privacy of personal health information

C. By accepting these Terms of Use, you acknowledge that you understand and agree with the following:

- You understand that you may expect the anticipated benefits from the use of telehealth in your care, but that no results can be guaranteed or assured.
- You understand that the laws that protect the privacy and security of health information apply to telehealth, and have received Midwest Health Partner's Notice of Privacy Practices (note where this is located), which describes these protections in more detail.
- Your Treating Provider may determine that the Services are not appropriate for some or all of your treatment needs, and accordingly may elect not to provide telehealth services to you through the Site.

D. You can send messages to your Treating Provider by contacting Midwest Connect Care Customer Support at 844-336-0877 or Midwest Health Partners at 402-379-2322. Emails or electronic messages to Customer Support or your Treating Provider may not be returned immediately. If you are experiencing a medical emergency, you should call 911 or go to the nearest emergency room. **THE SERVICE AND CONTENT IS NOT DESIGNED, INTENDED OR APPROPRIATE TO ADDRESS SERIOUS, EMERGENCY, OR LIFE-THREATENING MEDICAL CONDITIONS AND SHOULD NOT BE USED IN THOSE CIRCUMSTANCES.**

5. Privacy. Midwest Connect Care is required to comply with the federal health care privacy and security laws and maintain safeguards to protect the security of your health information. Additionally, the information you provide to your Treating Provider during a medical consultation is legally confidential, except for certain legal exceptions as more fully described in our Notice of Privacy Practices (found.....). We devote considerable effort toward ensuring that your personal information is secure. Information regarding our use of health and other personal information is provided in our Site Privacy Policy and health information Notice of Privacy Practices. As part of providing you the Services, we may need to provide you with certain communications, such as appointment reminders, service announcements and administrative messages. These communications are considered part of the Services and your Account. While secure electronic messaging is always preferred to insecure email, under certain circumstances, insecure email communication containing personal health information may take place between you and Midwest Connect Care. Midwest Connect Care cannot ensure the security or confidentiality of messages sent by email.

Information relating to your care, including clinical notes and medical records, are stored on-site in paper or electronic form at Midwest Health Partners, 1410 N. 13th St., Norfolk, NE 68701.

6. Use of the Services by Children. The Services are available for use by children, but the parent or legal guardian must be on the video call or have provided written consent for an adult over the age of 18 for all patients under the age of 18. If you gift a subscription or register as the parent or legal guardian on behalf of a minor, you will be fully responsible for complying with these Terms of Use.

7. Access Rights. We hereby grant to you a limited, non-exclusive, nontransferable right to access the Site and use the Services solely for your personal non-commercial use and only as permitted under these Terms of Use and any separate agreements you may have entered into with us ("Access Rights"). We reserve the right, in our sole discretion, to deny or suspend use of the Site or Services to anyone for any reason. You agree that you will not, and will not attempt to: (a) impersonate any person or entity, or otherwise misrepresent your affiliation with a person or entity; (b) use the Site or Services to violate any local, state, national or international law; (c) reverse engineer, disassemble, decompile, or translate any software or other components of the Site or Services; (d) distribute viruses or other harmful computer code through the Site or (e) otherwise use the Services or Site in any manner that exceeds the scope of use granted above. In addition, you agree to refrain from abusive language and behavior which could be regarded as inappropriate, or conduct that is unlawful or illegal, when communicating with Treating Providers through the Site and to refrain from contacting Treating Providers for telehealth services outside of the Site. We strongly recommend that you do not use the Services on public computers. **Fees and Purchase Terms.** You agree to pay all fees or charges to your Account in accordance with the fees, charges, and billing terms in effect at the time a fee or charge is due and payable. By providing Midwest Connect Care with your credit card number and associated payment information, you agree that Midwest Connect Care is authorized to immediately charge your account for all recurring fees and charges due and payable to Midwest Connect Care hereunder and that no additional notice or consent is required.

8. Website Links. WE WILL NOT BE LIABLE FOR ANY INFORMATION, SOFTWARE, OR LINKS FOUND AT ANY OTHER WEBSITE, INTERNET LOCATION, OR SOURCE OF INFORMATION, NOR FOR YOUR USE OF SUCH INFORMATION, SOFTWARE OR LINKS, NOR FOR THE ACTS OR OMISSIONS OF ANY SUCH WEBSITES OR THEIR RESPECTIVE OPERATORS.

9. Ownership. 12. **Right to modify.** We may at our sole discretion change, add, or delete portions of these Terms of Use at any time on a going-forward basis. However, in both cases, the following conditions will apply:

(i) If you are present at or prior to the use or disclosure of your PHI, the Practice may use or disclose your PHI if you agree, or if the Practice can reasonably infer from the circumstances, based on the exercise of its professional judgment, that you do not object to the use or disclosure.

(ii) If you are not present, the Practice will, in the exercise of professional judgment, determine whether the use or disclosure is in your best interests and, if so, disclose only the PHI that is directly relevant to the person's involvement with your care.
